## MINISTRY UPDATE— SEPTEMBER 2017

**NEXT: PRAYER DAY— SEPTEMBER 29**

CBM Workshop— August 19th

Children's Bible Ministry of MD has been consistently reaching into the public school system with Bible Character Building clubs during the school year over the past few years. Once again, Dr. Nancy was requested to do some hands on training with one of our newer workshop classes: **"5-Minute Gospel Object Lessons"**. This is a great way to make a powerful visual presentation using many different themes and objects. It really helps in explaining the Gospel but also can be used to illustrate terms such as "believe", "faith", "truth" and applications of Bible scripture verses.

It is such a blessing to meet committed people who want to reach the children for Christ and are willing to put in time and energy to do their best for Jesus. We continue to pray for these leaders as they go into the school systems across Maryland during this next school year season.

### **PRAISE DAYS for 2017:**

We will continue to have a "sweet hour of prayer" monthly for a time of focus on our God.

**Mark your calendars for:** Sep 29, Oct 27, Dec 1.

Please stop for a time of praise, prayer and reflection with a prayer partner.

Please Continue to Pray for God to use this Ministry until He returns.

Thank you so much

### Upcoming Conference:

#### **Awana Mid-Atlantic, October 14th Bowie, MD**

For more information check out their website:

[www.awanamidatlantic.org](http://www.awanamidatlantic.org).

Toolkit Ministries will be joining the Awana team and presenting 2 of their specialized workshops:

**“5 minute Object Lessons”** and **“The Art of Discipline”**. These classes will be taught twice during the seminar to allow participants flexibility to attend the classes.

We also will host a table of resources and hope to meet new church leaders who may be in need of some in-church workers seminars. This conference is one of the last meetings available for personal contact as many of the major Christian education conventions have ceased to exist over the past 15 years.
