MINISTRY UPDATE— OCTOBER 2017

NEXT: PRAYER DAY- OCTOBER 27

AWANA Conference— Bowie MD

It was a great joy to teach and met so many Awana leaders and church workers Saturday Oct 14th at the Awana Conference. Our classes were filled to capacity and we pray that the ideas will be helpful and usable in their home churches.

We are asking for prayer, that God will direct us to the ministries that can use our help for in-church, half day seminars where more customized workshops and hands on practice can be done on a personal level. This method has been extremely effective in taking useful materials.

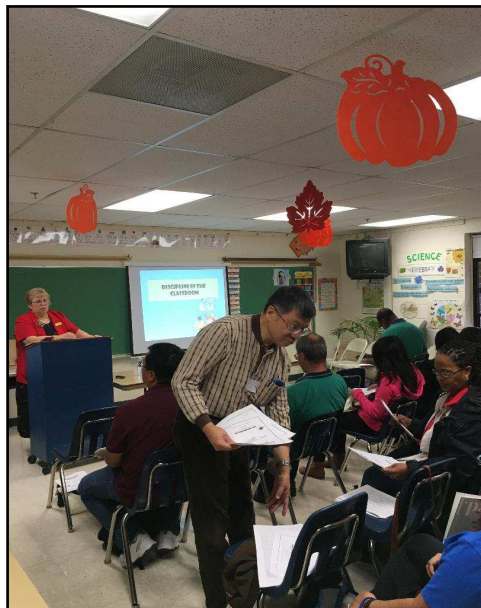

It was also a joy to be able to have Debby Shields help illustrate the 1-2-3 count in the Discipline class. Demonstration is another way communicating the information - "A picture is worth a thousand words". Special thanks to Awana leader-in-training, Shane O'Donnell who help with all the hauling and moving for Toolkit.

May the Lord really use these people to reach into their community !

Please Continue to Pray for God to use this Ministry until He returns.

Thank you so much

The workshop classes were overflowing and a total of 149 church leaders attended.

“5 minute Object Lessons” and **“The Art of Discipline”**. These classes were taught twice during the seminar to allow participants flexibility to attend the classes which were still overflowing.
